RNA IS NOT AFFILIATED WITH ANY POLITICAL PARTY, ORGANIZATION or ELECTED OFFICIAL

SPEAK OUT AGAINST **MILLENNIUM TOWERS on** APRIL 25th

• As we go to press, RNA and representatives of the other neighborhood groups met with the City and the project developers on March 30th. The City agreed to re-open the Jersey Avenue Redevelopment Plan (JARP) to include lessening the overall density and height, a steep slope ordinance, and open green space. The developer agreed to study the feasibility of decreasing the overall project. The community maintained their position of demanding that the project conform to either the current or newly proposed JARP. At the end of this meeting, a consensus was reached among the participants to postpone the April 4th Planning Board meeting on this project to Tuesday, April 25th.•

RNA is asking all its members, neighbors and friends to attend the April 25th meeting of the **Jersey City Planning Board** to protest the **Millennium Towers** (MT) project. The meeting will begin at 5:30 PM and be held in the City Council chambers at City Hall, located at 280 Grove Street. This will be the Board's second session concerning this controversial project and was scheduled to specifically allow public comment about this project. At the March 14th meeting, the Board heard from three members of the public opposed to the project: **Don Addas** of Ogden Avenue, **Robert DuVal** of Sgt. Anthony N.A. and **Hugh McCloskey,** an attorney representing the City of Hoboken.

The MT proposal is to build two 37-story towers atop a 6-story pedestal for a total height of over 475 feet. There will be 550 residential rental units, 181 square feet of commercial/retail space and 844 parking spaces. The proposed site is located below the Palisade cliffs - off 18 Street between Jersey Avenue and Grove Street on the Jersey City-Hoboken border. It is bordered on the north by the New Jersey Transit (NJT) trestle and on the south by a parcel of land owned by Lefrak Development.

At its March 14th meeting, **Robert Cotter,** the Director of Planning introduced a proposal to amend the JARP in order to permit the MT developers to build their project. He proposed that the height limitations in the hi-rise district be changed from 110 feet to 475 feet. The amendment also calls for an increase of the floor area ratio from a factor of 5 to 6 and a minimum setback of 20 feet. The City and the developers are trying to justify this project by promising that a Light-Rail stop will be built on this site.

continued on next page

THINGS TO DO

1. Come to the April 25th **Planning Board Meeting** at City Hall, 280 Grove Street, starting at 5:30 PM. You can participate by either making a public comment to the Board or just attending the meeting to show your support against this project.

2. **Send** the enclosed blue letter to your City officials and local newspapers.

3. Distribute a **petition** among the neighbors on your block and return it to RNA, 232 Ogden Avenue. The petition can be downloaded from the following website: **http://www.balcer.com/towers/petition.htm**

Spring CLEAN-UP

On **Saturday, May 6th**, RNA will be sponsoring its **Annual Spring Clean Up.** This semi-annual event is just one of RNA's regular commitments to our neighborhood, for a better life in the Heights. We need many volunteers willing to pitch in and get their hands dirty to make it a successful day.

The day's activities will begin at **8:00 AM** and will initially focus on the cleaning of our two parks: **Janet Moore Park** at the corner of Cuneo Place and Ogden Avenues; and **Riverview-Fisk Park,** bound by Palisade Avenue and Griffith and Bower Streets. We will do a general sweep-up of the walks, raking of the lawns and begin the weeding of the public flower gardens in both Parks.

In addition to the two park projects, we are also looking for other ideas for projects that can be implemented by the group and hopefully finished that day. For those that remember, last year we had approximately 45 participants at our Spring Clean Up. Of course, the projects that we can initiate will require your help and the participation of other volunteers. So, the more volunteers we have the bigger the projects we can take on. Come to the April 12th meeting to suggest any other ideas that you would like the community to consider for this day.

As with previous clean up weekends, we have arranged with the **Jersey City Incinerator Authority** for the use of two large dumpsters for the disposal of large household debris. One dumpster will be placed at the North end of our community on **Hobson Street** and another will be located on the Southern end at **Franklin** Street – between **Palisade** and **Ogden** Avenues. You are reminded to limit your use of the dumpsters to household items

continued on next page

RNA has been working with members of other neighborhood, block and civic organizations in the Heights and Downtown sections of Jersey City and Hoboken to oppose this project. As we go to press the current list of groups opposed to this project, include **Sgt. Anthony N.A., Palisade Avenue Coalition, Heights Hope N.A., Hilltop N.A., Waverly Street Block Assn., Chapter 80 Block Assn., Nelson Avenue Block Assn., Hamilton Park N.A., Paulus Hook N.A., Hudson Alliance for Rational Transportation (HART), Coalition for a Better Waterfront (CFBW)** and the **Quality of Life Coalition of Hoboken.** *[The City of Hoboken recently passed a non-binding resolution requesting Jersey City not approve this project because of the negative impact of the project on Hoboken and requested a regional approach to any future development in this area.]*

The main concerns about this project are:

a) it will create a **bad precedent** for both height and density for future development in this area;
b) it will increase the **traffic congestion** and pollution on the local streets of both municipalities;
c) it will worsen the already **overwhelmed PATH** system with increased ridership;
d) it will create an **"gated" community** that will be isolated from the surrounding neighborhoods of Holland Gardens, St Lucy's, Hamilton Park and Hoboken;
e) it will not encourage **public access** to its facilities;
f) it will **destroy public open-space** views from the Palisade cliffs; and
g) it will force another **tax-abated development** upon the citizens of Jersey City.

It should be made clear that all of these groups have agreed that this site and the area surrounding it - which is currently industrial buildings and trucking lots - should be developed. However, these groups demand that the City should only allow human-scale low-rise projects that will complement the surrounding communities. These groups have expressed their position that the developer should conform his project to the current zoning requirements of the JARP. At this time that the City is revising its Master Plan, these groups have asked it to draft a rational urban design for the development of this area.

Meetings have been set-up with Jersey City council members to enlist their support to oppose this project. Procedurally, if the Planning Board approves the amendment, it will be submitted to the City Council for a vote. It is hoped that there will be enough votes on the Council to defeat this amendment and thereby kill the project in its current configuration.

RNA urges everyone to come out and oppose this project at the April 25th Planning Board meeting.

SPRING CLEAN-UP

continued from front page

only. As once the dumpsters are filled, that's it till fall.

We hope you will be available to participate in these activities and you will alert your friends and neighbors. If you would like to volunteer or lead a specific activity, please let us know. Our neighbor, **Kevin Mahony** will be coordinating the day's events for the Association. Please call Kevin at **798-4676** and sign-up. We will also be planning a simple barbecue for all of the volunteers after we have finished our work. So show your pride in our neighborhood and join us MAY 6th.

DUMPSTER WEEKEND

As part of the Spring Clean-up weekend, the Jersey City Incinerator Authority (JCIA) will place dumpsters on both **Hobson** and **Franklin** Streets between **Palisade** and **Ogden** Avenues from Friday, **May 5th** to **Monday** the **8th.** The dumpsters are free to all residents. Kindly observe the following rules:

1) Only throw away residential garbage;
2) DO NOT put in construction material;
3) Pack the dumpster to maximize the limited space of the container;
4) Do not overfill the dumpster; and
5) Do not leave garbage outside the dumpster.

The JCIA has requested that all residents report the placing of any construction material in the dumpster by calling their office at **432-4645** and reporting either the culprit's license plate or address.

PARK FAIR and FLEA MARKET

Plans for the **16th RNA Park Fair and Flea Market** are underway. This year the event will be held on **Saturday, June 3rd** with a raindate of June 10th in Riverview-Fisk Park. On March 29th the Organizing Committee discussed expanding the advertising, entertainment and variety of vendors to improve this annual rite of spring for our neighborhood.

This year we are looking for live musical entertainment ranging from jazz and folk music to street performers, clowns and magicians. Through an expanded mailing list we are hoping to attract art and crafts people in addition to our flea market vendors. **Sandy Martiny** has volunteered to design a tee-shirt to commemorate the day which will be sold to the public.

As usual it is never to early to enlist the services of as many volunteers as possible to coordinate the many activities of the day. If interested in participating, call **Maria Tuzzo** at **659-2245** after 6PM.

A Vendor Application with fees and rules is available on page 6.

Jersey City Tree Planting Application

Dear Citizens:

The City of Jersey City proudly announces the spring 2000 tree sale. In an effort to make Jersey City a Cleaner & Greener place to we will be offering 2" – 3" caliber Kwanzan Cherry, Green Vase Zelkova, or Red Sunset Maple trees for $50.00. If you have any questions please call the Div. of Park Maintenance at 547-4449. We look forward to working with you to make Jersey City an Urban Forest.

Sincerely,
Kevin Sluka, Director
Department of Public Works

Orders must be received by April 21, 2000 DEADLINE!

MEETING MINUTES

RNA held last month's meeting on March 21st, the third Tuesday of the month. This was because RNA had urged all its members to attend a March 14th Planning Board meeting to oppose the Millenium Towers project.

The meeting began at 7:40 PM.

PERMIT PARKING: The first speaker of the evening was **Robert Smollen**, the **Director of the Harbor View Health Care Facility**. Mr. Smollen asked the membership to support a reduction of the annual $250.00 non-resident permit parking fee for both his facility's health-care workers and the family members who visit the residents. He stated that 90 percent of the workers lived in town and would be eligible for a $5.00 parking permit. His concern was for the other 10 percent who were out-of-towners. However, he admitted that these non-residents only numbered about 15 to 20 individuals. The real problem seemed to be that the facility's 25-space parking lot could not accommodate all the staff, doctors and visitors.

After a lengthy discussion, RNA approved a proposal made by **Carmine Venezia, Director** of the **Parking Authority**, allowing the workers to pay only $75.00 for the annual fee. In a separate meeting held the prior week, Mr. Venezia stated that he had already approved similar reductions for visiting nurses and homecare workers working throughout the City.

RNA also approved the use of a book of daily parking passes which visitors would be able to purchase from the Parking Authority allowing them to park on the local streets. (Each pass would cost about $1-2.) Visitors would only have to use these passes if they planned to park on the streets longer than the two hours permitted by the City.

A suggestion was made that Harbor View begin to better coordinate the use of their own parking lot, including its use by local residents for over-night parking. Another suggestion was that the facility should consider paying the parking fees for the out-of-town workers as part of their benefits package.

POLICE REPORT: Officer **Ed Rutkowski** took complaints from the membership about local problems for the police to investigate. Officer **Michael Sherboneau** announced that the North District was organizing an **Easter Egg Hunt** to be held on Saturday, April 15th. It would take place in Riverview-Fisk Park between the hours of 12 Noon and 2 PM. He was looking for volunteers to help coordinate the event. He could be reached at the North District at 547-5743.

NID REPORT: Our local Manager **Susan Benevides** announced that she was leaving the NID Department to pursue another career in the City. She stated that all calls and complaints should be directed to NID Manager **Al Maietti** at **547-4982, ext. 8005** until a permanent replacement has been selected. She informed the group that the City was going to take care of the problems along Paterson Plank Road, including the illegal use of Holland Street, the torn fence in one of the street level garages and the cleaning of the cliffside below the Park.

RNA MOTIONS: The membership voted to take official positions on two important issues facing our community. The membership voted overwhelmingly to oppose the Millenium Towers project that is currently being considered by the Planning Board. *(For more information, see the lead article on the front page of this issue.)*

The membership also approved the Vision Statement for the revitalization of Palisade Avenue. This Statement together with its specific goals and strategies was created by the **Palisade Avenue Steering Committee** to guide the community in upgrading our neighborhood. The first step would be to form a non-profit community-based corporation to administer grant and/or loan programs for the renovation of individual residential properties. It would also work with the City to help stabilize existing businesses and encourage new ones in the area.

RNA ELECTIONS: The membership next voted for the next group of executive officers for the 200-2001 term. **Vito Brunetti** was re-elected Chairperson, **Steven Carr** was elected Vice-Chairperson, **Maria Tuzzo** was re-elected Secretary, **Tim Gilliard** was elected Treasurer and **Beth D'Errico** was elected Sgt.-at-Arms.

Department of Public Works (DPW): **Kevin Sluka**, the current **DPW Director** was the guest speaker. He confirmed that the long-awaited renovation project for Palisade Avenue would begin sometime this summer. The $1.2 million contract would include the repaving of the roadway and construction of new sidewalks from Paterson Plank Road to Newark Avenue. He stated that the project would start at Paterson Plank Road and work southward. There would have to be a suspension of street parking and the assignment of off-duty police officers to monitor traffic along the construction route.

He took suggestions about secondary roads that should be repaired during this project, including Woods Place between Ogden and Palisade Avenues and Congress Street between Palisade Avenue and Paterson Plank Road.

Kevin also announced that the street change that RNA requested for Ogden Avenue between Bower and South Streets was denied by the State. *(Over one year ago, RNA voted for the City to reverse the northern bound direction to discourage motorists and jitney buses from using and speeding on this street during the early morning rush hour.)* He stated that the State would only allow the change if the City eliminated one side of the road's on-street parking which he realized would be unacceptable to the local residents. Instead he discussed several options, including putting a traffic control device at the corner of Bower and Ogden or the implementation of rumble strips on Ogden between Griffith and Bower. He also discussed the conversion of Bower Street between Palisade and Ogden Avenues to a one-way westbound street.

He stated that his **Division of Traffic Engineering** was also going to upgrade the traffic control devices for the intersection of Palisade Avenue, Ravine Road and Woods Place. There has been an increase of vehicular and pedestrian traffic due to the successful business of the Supremo supermarket.

He announced that the DPW would soon be installing the street signs for the permit parking program. He discussed the maintenance of Riverview-Fisk Park, including the repair of the fences surrounding the children's playground and the basketball court and the fencing off of the newly planted trees to protect them from vandalism. He stated that he would not be able to confirm whether the community would be able to hire a summer park attendant until June when the City's new fiscal year begins.

He encouraged RNA to coordinate its efforts with the two other neighborhood groups surrounding the Park – **Heights Hope N.A.** and **Palisade Avenue Coalition** – in the care-taking and supervising of the Park and its community gardens. He also requested that a decision be made by the community for use of the cobblestones that have been collected from the renovation of Mountain Road and stored at the DPW's facility.

Residents **Sandy Martiny** and **Beverly Brown Ruggia** presented their proposal to organize a ceramic tile installation in the Park. They want to have neighborhood children decorate ceramic tiles that would then be installed along the northeast corner of the retaining wall overlooking Holland Street. They wanted to begin this project this spring.

The meeting ended at 9:45 PM.

Maria Tuzzo, Secretary

BULLETIN BOARD

Events

Easter Egg Hunt: Saturday, April 15th: The North District Police will organize a children's Easter egg hunt in Riverview-Fisk Park starting at 12 Noon. For more information, call P.O. **Michael Shernoneau** at 547-5743.

Palisade Avenue Steering Committee: Monday, April 17th: The next meeting will be held at the Pershing Field Community Center at 7 PM. For more information, call **Douglas Greenfeld** at 547-5010.

Park Fair and Flea Market: April 19th at 7:00 PM: The next meeting of the organizing committee to discuss plans for the June 3rd event. Call **Maria Tuzzo** at 659-2245.

Ceramic Tile Installation in the Park: Two local residents have proposed a summer project for Riverview-Fisk Park. **Sandy Martiny** and **Beverly Brown Ruggia** will organize neigfhbrohood children to decorate ceramic tiles which will then be installed on the guard wall of the Park's northern overlook above Holland Street. For more information, call **Sandy Martiny** at 798-4235.

Alerts

Permit Parking Stickers can be purchased at the Jersey City Parking Authority Monday to Friday between 9AM to 5PM. Residents: $5.00 and Non-residents: $250.00. Enforcement from Monday to Friday between 8AM to 9PM. For information call: (201) 653-6969.

Clean Up after your Dog

It's unlawful, inconsiderate and unhealthy to leave dog waste in public areas, and YOU can be fined up to $1,000!

Dogs must be on a leash, too.

Help keep Jersey City clean & Healthy

1600 Park Avenue: The proposal to build an 18 story hi-rise development on the northern boundary of Hoboken has been temporarily stopped for a variety of reasons. First, Mayor Anthony Russo has publicly announced his opposition to the project. It has also been confirmed that Sanford Weiss, the developer has not filed a proper revised application with the Planning Department. Mr. Weiss has also expressed his willingness to work with the local residents to revise his proposal to reflect the community's concerns. For more information, contact **The Residents of Responsible Development at (201) 795-2569.**

IMPORTANT TELEPHONE NUMBERS

1) **Neighborhood Improvement District:** Call **547-4982** and then dial Ext. **8005** for NID Mgr. **Al Maietti** to complain about any quality of life problem or concern on your block.

2) PARKING AUTHORITY: To report parking complaints call **653-6969**, and press **#9**. This number is good till 12 midnight. If there is an emergency, Mr. **Carmine Venezia**, the PA Director can be reached through his beeper **517-3367**, till midnight during the weekdays and till 5 pm on Saturdays.

3) **PSEG LIGHTING:** To report a non-functioning light in the Park or on any of our streets, call PSEG at **330-6572** and leave a message with the exact loca tion and number of the street pole.

2000 EXECUTIVE OFFICERS

At the March 21st meeting, the following individuals were elected by the membership to be RNA's executive board for the 2000-2001 term:

Chair:	**Vito Brunetti**
Vice-Chair:	**Steven Carr**
Secretary:	**Maria Tuzzo**
Treasurer:	**Tim Gilliard**
Sgt.-at-Arms:	**Beth D'Errico.**

RNA would like to acknowledge the work and support of the outgoing officers: Kevin Mahony and Len Davis. These two gentlemen were effective and dedicated officers who were involved in the many varied activities of our community. A special thanks to them for their unselfish participation. It is only with people like these that a neighborhood is successful in improving itself.

POLICEBEAT

Residents should contact their **Neighborhood Task Force** (NTF) Police Officers if they have a problem, a safety concern or knowledge of criminal activity through the North District's Community Service voice mail at **547-5719** or through the front desk at **547-5350**. When leaving a message, include your name, telephone number, street address, the nature of the problem and the date and time of the message. For emergencies, call **547-5477** or **911.**

In addition, anyone with information about illegal drug use and/or drug dealing, should contact the JCPD Narcotics Unit at **547-5714** or **547-6911**. All calls will be strictly confidential.

On the following page, RNA has reprinted a page from the 1999 edition of the **Heights Pride Booklet**, entitled Suspicious Activity / Crime Report. Please use it to write down all information about any illegal activity that you witness in our neighborhood. The information will be helpful when you make the report to the police, in their investigation and if necessary, apprehension of a suspect.

[The Heights Pride Booklet, complied by Councilman **Bill Gaughan**, *is a very helpful resource guide to municipal services. Copies can be obtained by calling Tom Dolan, the Councilman's aide at 547-4576 or picking it up at his Heights office at the Municipal Building at 325 Palisade Avenue.]*
